

Semester project

1. sem opbwu17fint

Daily activities

1. **Check in:** In class you check in at 8.15 every day by writing your name on the blackboard this will work as absence. The counsellor will notice the teams. Agree within each team when to check out, but remember that we expect the final work to be 30 hours times the number of team members worth.
2. **Selfie:** Do a team selfie every day and upload it to fronter before 9.00

ONE BIG COMPANY

Work in groups but still as one big company. Share knowledge between groups.

It is not a contest.

Request from former students

1. Can we have more than 3 days to do Hackathon in?
2. Can we decide the project ?

Counselling every day

The schema for counselling is: 8.15 - 11.45

Monday: Morten - Berb

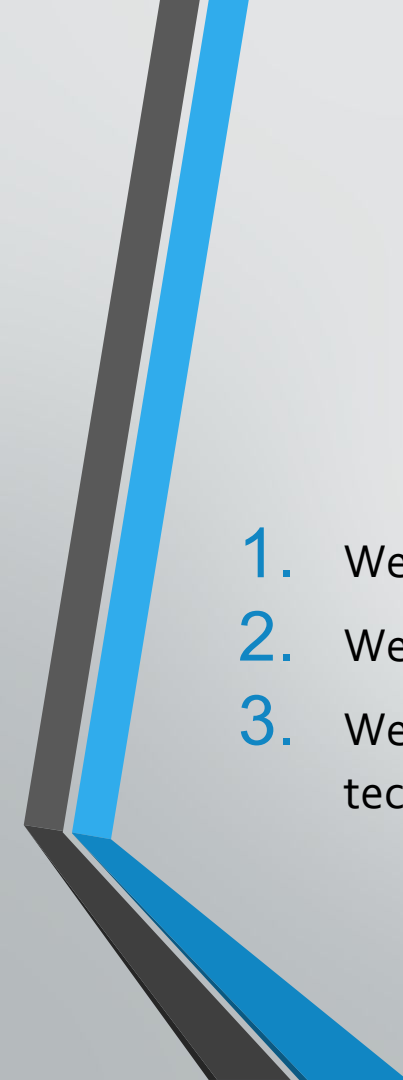

Tuesday: Ion

Wednesday: Ion

Thursday: Morten

Friday: Berb - Morten

There might be a few changes here.

Presentation on Friday

10.00

1. We expect that you have worked **30 hours per team member**.
2. We expect a 5 min. (max 8 min.) presentation of your idea
3. We will ask you questions for 5 min about structure, planning and technologies

Presentation in details

1. **Idea.** We want to see an idea that fulfills the requirements from the description on frontier. Use prototypes, wireframes and designs in your presentation.
2. **Planning.** We want to see if you can make a plan for the rest of the semester where you will be working on the project.
3. **Technology:** We want to hear your considerations about the technologies that you will use vs. the project.
